What job role?

Residential Support Worker for children and young people

Working in a residential care setting, you will assist students with a range of activities in the home and support students needs during leisure activities and school/holiday periods. You will promote choice at every opportunity and help our students to achieve and excel in all the things they do, whilst providing high standards of care.

Residential Support Worker for adults

In this role you support adults who are living in residential supported homes. You will assist residents with all aspects of their personal care, accessing the community and development and promote choice and independence at every opportunity.

Community Support Worker

In this role you may be working with a young person and their family or an adult with a disability. You might be supporting a person with daily living skills in their own home or you may be supporting them to do things they want to do out in the Community.

Teaching Assistant

In this role you provide support for students, teachers, the curriculum and the school. To be able to create a happy safe and caring environment which enables our students to learn and communicate with confidence. With the guidance of the Teacher you will help supervise activities happening in the classroom, maintain students interest and motivation during lessons and support them to achieve their targets.

Have you got what it takes?

- ✓ Patience & understanding
- ✓ Enthusiasm
- ✓ Team player
- ✓ Good listener
- ✓ Reliable
- ✓ Respectful

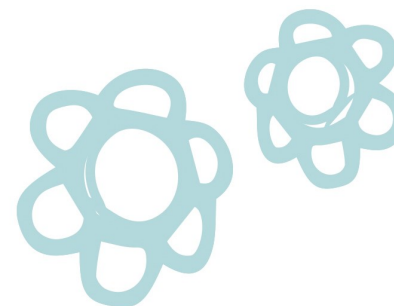

Who are the SENAD Group?

The SENAD Group is an independent operator of special needs schools for 5 -19 year olds with learning disabilities. For the past ten years the SENAD Group has operated schools in the East and West Midlands and draw students from across the United Kingdom and further afield.

As well as special educational needs schools, the SENAD Group also have experience operating transition homes and adult residential homes for school leavers, as well as delivering community based support packages for independent living.

Why choose this career?
